Introductory

The present volume constitutes the 1938 edition of Henderson's Directory of Moose Jaw. The work embodies a complete epitome of the civic, commercial, social and industrial interests and activities of the municipality. It is a modern Directory in all its parts and includes all the essential features which have been proven so satisfactory to our patrons in previous issues; these have been retained and amplified, and improvements have been added as suggested by experience in order to add to the value and usefulness of the Directory, thus fully meeting the requirements of patrons; the approbation and continued patronage accorded the work are constant incentives to better service.

The publication has had the benefit and advantage of the complete organization and resources of the publishers, and of the skill and experience of their corps of enumerators and compilers added to the courteous co-operation of citizens, in the production of the volume.

THE DEPARTMENT OF MISCELLANEOUS INFORMATION

THE DEPARTMENT OF MISCELLANEOUS INFORMATION is included in pages 31 to 54 and contains data concerning City, Provincial and Federal Government offices, commercial organizations, cemeteries, churches (denominational and miscellaneous), colleges and schools, hospitals, homes and asylums, building exchange and associations, institutes and societies, libraries, military organizations, public schools, secret societies, etc.

THE STREET AND AVENUE GUIDE

THE STREET AND AVENUE GUIDE is embraced in pages 59 to 105; in this feature the names of all streets and avenues are arranged alphabetically and numerically, giving the location, number on the street and showing the occupant.

The intersecting streets are shown in the order that they come.

THE ALPHABETICAL DIRECTORY

THE ALPHABETICAL LIST OF NAMES of citizens, business firms and corporations covers pages 107 to 306.

THE CLASSIFIED BUSINESS DIRECTORY

THE CLASSIFIED BUSINESS DIRECTORY occupies pages 307 to 345 and exhibits the various manufacturing, mercantile and professional names, compiled under headings appropriate to the class of industry or profession followed.

ADVERTISING MOOSE JAW

An important function of the Directory is to set forth the characteristics and advantages of the city as a place of residence, as a business location, as an industrial site, and as an educational centre. The Directory acts as a mirror, reflecting all that is noteworthy in the city in the above respects. In order to spread this information regarding the city broadcast over the country, the publishers have placed copies of this issue of the Directory in the directory libraries, where they are readily available for reference use by the public. There they serve as perpetual advertisements of Moose Jaw, for business men the country over realize that the City Directory represents the community as it really is.

The publishers take this opportunity of thanking the citizens for valuable assistance rendered in the way of furnishing information concerning themselves, their friends and their business interests for this Directory, and also the public-spirited and progressive business and professional men for support given in the way of patronage.

Respectfully, The Publishers

HENDERSON DIRECTORIES LIMITED.

MOOSE JAW WILD ANIMAL SOCIETY

Aims and Objects of the Society

To preserve in its natural beauty one of the most picturesque valleys in Southern Saskatchewan.

To create and develop a more intense desire for the preservation of the animal, tree and bird life of our country.

To establish here on the prairie an animal and bird sanctuary, featuring as much as possible an orphanage for young wild animals rescued from forest fires, and in so doing to illustrate the destruction often caused by the carelessly thrown cigarettes, etc., often burning millions of dollars worth of valuable timber and burning to death wild animals, or separating them from their young, which in many cases starve to death.

To reproduce the actual scenes as the early settlers saw them. Wild animals roaming on the hills and in the valleys, making it possible for both young and old to enjoy the sights without having to travel great distances to a National Park. It is also our desire to let every animal in our care have as much freedom as possible, and we hesitate to pen any animal.

To invite and encourage all who are interested in this line of work to join our Society, but not under any circumstances to press anyone to join, as the best interests of the Society can be accomplished by having members whose heart is in the undertaking.

To have as our ideal: "He profits most who serves best." All money collected is spent in wages, feed and general development and not a penny is paid to any member of the Park Society for services rendered.

HENDERSON'S (1938) MOOSE JAW

1st Ave. N. E. 59

NOTICE

◆ The Symbol following the residence name, indicates that to the best of our knowledge someone living in the house is the owner.

❖ This Symbol indicates that a telephone is located at this number on the street.

This new Home Owners, Tenants and Phone Directory is compiled from information taken on a special house-to-house personal canvass. We do not guarantee to be absolutely correct in every detail, but we believe it to be very accurate and complete as far as it has been possible for us to get the information personally from someone at each residence. Where occupants have been absent the "owner" information has been left out.
